

Eagle Eyes ***Binoculars***

EAGLE EYES BINOCULARS Instructions

Have you ever seen a bird or butterfly and wished you could see it up close? What about all those curious colors and patterns? Do they mean something? Well, now is your chance to see them up close with eyes like an eagle!

CONTAINS

One pair of Backyard Safari Eagle Eyes Binoculars with neck strap.

USING THE EAGLE EYES BINOCULARS:

Carefully remove your new Backyard Safari Eagle Eyes Binoculars from its package and read all the instructions thoroughly before use.

Once free from the packaging, inspect your Eagle Eyes for any damage. Okay? Great now...let's look for birds! WAIT! Did you adjust the neck strap? The Eagle Eyes Binoculars have a special snap apart buckle that you can use to adjust the length of the neck strap. Once you have a bird in sight, bring the Eagle Eyes Binoculars up and place them comfortable against your eyes. Can you see everything clearly? If not, simply adjust the focus dial located between the eye pieces and turn it in until what you are trying to see becomes EAGLE EYE SHARP!

CARING FOR THE EAGLE EYE BINOCULARS:

Keep the Eagle Eyes Binoculars clean and dry. If they do get wet, wipe them dry immediately.

Use under normal, and safe play conditions only.

When not in use, store the Eagle Eyes Binoculars in a clean, dry area and do not leave them exposed to the elements.

Watch for any cracks or damage.

Occasionally after use, wipe the Eagle Eye Binoculars and neck strap off with a damp cloth before putting them away.

Be careful cleaning the lens and use only a non-scratching soft towel.

Remember, if you follow the instructions, keep the Backyard Safari Eagle Eyes Binoculars clean and remember not to leave them outside, they will provide you with tons of fun.

⚠ CAUTION

Do not leave your Eagle Eyes Binoculars outside or exposed to the elements.

When cleaning the Eagle Eyes Binoculars, USE ONLY WATER AND NEVER HOUSEHOLD PRODUCTS, not even window cleaner.

Lastly, BE VERY CAREFUL with the neck strap. Remember it is only to be used to secure your Eagle Eyes Binoculars loosely around your neck.
